I wish to participate in the Street Faire Arts & Crafts Show on the streets of downtown Clare. All tables, chairs and supplies are the responsibility of each participant. I have read and understand the 2010 show regulations as listed on the back of this form. My crafts are as pictured and described above and are hand-made originals that are not produced or purchased from a wholesale company or kits. I have accompanied this application with work in progress photos of all items I will be selling.

*At times we are asked to share our list of crafters with other show coordinators. If you would like to be excluded from this list please check here

All craft shows are juried. We will have an independent JURY that will be determining the eligibility of all craft booths. The jury is requesting a "work in progress" photo for all crafters, even if you have been in our shows previously. Our jury defines "work in progress" as a photo of you making your craft items.

Should your items not be as pictured in your photo and if mass produced items or manufactured items are found, you will be asked to remove the items or leave. Please do not put any of us in this awkward position.

REGULATIONS FOR BOTH CRAFT SHOWS

1. All craft shows are juried; crafts must be hand-made and designed originals. No manufactured, mass produced, or kits will be allowed. There will be a jury monitoring each show, and should your items not be as pictured in your photo and if mass-produced items or manufactured items are found, you will be asked to leave. Please do not put any of us in this awkward position. We pride our shows on being what we advertise; please adhere to these rules, and if your crafts do not apply, do not expect to display them here.
2. Food crafts may be accepted, but food concession will not.
3. Advertising is done by the Clare Area Chamber of Commerce. Advertising includes state periodicals, several Internet websites, independent craft books, newspapers, TV, and radio, as well as flyers & mailers. We do our best to promote you.
4. All outdoor shows are rain or shine; you should be prepared for inclement weather. In the event of cancellations, no-shows, or inclement weather, refunds will not be given.
5. Restroom facilities will be available in the school during the Irish Craft Show, and portable lavatories are available on-site for the outdoor shows.
6. No pets allowed at any show. No exceptions. No smoking on the grounds of any show.
7. If you leave early, you will not be allowed back in the show in the future.
8. There is no overnight camping in or around the City Park.
9. No setup is allowed until vehicle is fully unloaded and moved.
10. There is no parking by crafters near the show venue.
11. Please be sure to bring capable help for unloading and loading your crafts if you have physical restrictions that will not allow you to do this by yourself.
12. By signing the front of this form you are agreeing to the above terms.
